The small business sector is one of the fastest-growing in the nation's economy. With an ever-increasing number of adults today self-employed, many people either work for a small business or plan to start one of their own. Coastline's Entrepreneurship Certificate of Achievement can help prospective entrepreneurs launch new ventures or, if you are an entrepreneur who already has your business established, you can strengthen your managerial and business skills to grow your business.

You will learn the fundamentals of starting and operating your own business. The program includes basic business skills as well as specific courses in starting and managing a business. Coursework covers evaluating a business opportunity, preparing a business plan, planning advertising and sales promotions, marketing a product or service, and financial management for the entrepreneurial company.

Program Level Student Learning Outcomes

Upon completion of this program, students will be able to:

1. Effectively communicate solutions to business problems using appropriate business terms and strategies.
2. Analyze and recommend effective business decisions/solutions using a systematic, evaluative, and data-driven approach.
