

MARKETING, ASSOCIATE OF SCIENCE DEGREE

Banner Code: 3_AS_MKT
Financial Aid Eligible

The Marketing degree program is designed to train those individuals whose career paths involve market research, product design and development, customer relations, pricing, promotion and selling, and distribution. Courses emphasize the tools used by marketers, the environmental forces affecting the marketing process, sales communication skills, the major components of modern advertising and promotion, marketing research, and advertising planning and strategy.

Program Level Student Learning Outcomes

Upon completion of this program, students will be able to:

1. Develop and exhibit high standards of professional practice, demonstrating awareness of ethical and social responsibilities in today's multicultural, team-oriented, rapidly-changing global environment.
2. Analyze and recommend effective business decisions/solutions using a systematic, evaluative, and data-driven approach.
3. Effectively communicate solutions to business problems using appropriate business terms and strategies.
4. Formulate strategies that embrace diversity within organizations and create inclusive organizational cultures.
