

COMPUTER INFORMATION SYSTEMS, ASSOCIATE OF SCIENCE DEGREE

Banner Code: 3_AS_CIS

Control Number: 43976

Financial Aid Eligible

This degree program provides students with a solid foundation in the field of computer information systems. Students will learn to design, develop, and maintain technology solutions to bridge the gap between technology and the needs of the organization. Topics covered include programming, information systems, cybersecurity, systems analysis, and data governance. The program is designed to prepare students for entry-level jobs or to help them advance into careers, such as Web Developer, Digital Designer, Database Administrator, and Computer and Information Systems Manager.

Program Level Student Learning Outcomes

Upon completion of this program, students will be able to:

1. Apply the methods, techniques, and tools relevant to computer systems, software development, and information technology.
2. Describe the ethical and legal considerations related to technology and data management.
3. Demonstrate the ability to align technology solutions with organizational goals.
4. Select appropriate resources to continuously adapt to evolving technology and business environments.

Review the Associate in Science and Associate in Arts Graduation Requirements (<https://catalog.cccd.edu/coastline/graduation-requirements/associate-degree/>) and General Education (<https://catalog.cccd.edu/coastline/general-education/>) requirements.

Course	Title	Units
Electives to Satisfy Unit Requirement		varies
Total Units		60

Course	Title	Units
Required Courses		
Complete the following:		
CIS C105	Introduction to Business Office Technology	3
CYBR C101	Introduction to Cybersecurity	3
ICS C120	Introduction to Programming	3
CIS C157	Introduction to Python Programming	3
CIS C205	Principles of Information Systems	3
CIS C240	SQL Database Development	3
CIS C260	Systems Analysis and Design	3
CIS C285	Data Governance, Privacy, and Policies	3
Program Electives		3
Select one of the following:		
ICS C230	Secure Coding and Design	
ICS C265	Artificial Intelligence	
<i>Units Required for Major</i>		<i>27</i>
Local General Education or CalGETC pattern		varies
