

# ART, ASSOCIATE OF ARTS DEGREE

**Banner Code:** 3\_AA\_ART  
**Financial Aid Eligible**

This major encourages the development of technical skills, art appreciation, and personal creative vision. Art majors begin with a series of foundation courses that are designed to develop students' understanding and application of visual language across a range of media. This major will equip students with a variety of skills and visual strategies that they will be able to apply in meaningful contexts. Through study of arts, students learn how to find creative solutions to problems and how to express their individuality.

## Program Level Student Learning Outcomes

Upon completion of this program, students will be able to:

1. Interpret the ideas being communicated by analyzing the visual elements and principles of design.
2. Solve visual problems involving craftsmanship by using the creative process.
3. Recognize, distinguish, and correlate the basic elements of form and utilize it to make original art.
