

ASSISTANCE FOR STUDENTS WITH DISABILITIES

Students with disabilities (e.g., physical, speech, hearing, learning, vision, intellectual, mental health, acquired brain injury, autism, health-related, and/or attention deficit) are invited to request assistance from Special Programs and Services for Students with Disabilities Office. Services include, but are not limited to: interpreting services, note taking, registration assistance, academic counseling, materials/equipment loans (i.e., digital recorder, personal hearing device, or Smart Pen), enlarged print materials, accessible classroom furniture, textbooks and materials in alternate formats, and test proctoring. Coastline also offers comprehensive instructional programs and services to students with intellectual disabilities, acquired brain injuries, and physical impairments. Students with temporary or permanent disabilities who are interested in participating in one of the specialized programs or in need of services are encouraged to contact the Special Programs and Services for Students with Disabilities Office for assistance and to schedule a confidential intake appointment. Please call (714) 241-6214, email at specialprograms@coastline.edu, or visit the Special Programs and Services for Students with Disabilities Office located on the first floor of the Newport Beach Campus at 1515 Monrovia Avenue, Newport Beach, CA 92663. Visit the Coastline Disability Services webpage (<http://www.coastline.edu/students/students-with-disabilities/>).
