

EQUITY

The Student Equity and Achievement Program (SEA)

Helps students achieve their educational goals and personal, academic, and career objectives through support services, college activities, and programs with a race conscious lens. Through SEA, Coastline College serves students with an emphasis on eliminating achievement gaps and providing race-conscious, equitable, inclusive, socially just, accessible and anti-racist, practices.

Basic Needs and Dolphin Assistance Program

Is a one-stop-shop to assist students who may need additional resources to assist in their college journey. Students who are eligible for the program can apply to receive book vouchers, technology support, food assistance and emergency direct aid.
