Course Description

Focus on Chinese influences on East Asia cultures through hands-on practice of brush strokes. Designed to lead a beginner from how to hold a brush to producing finished compositions in florals, animals, and landscapes. Detailed instructions on using materials, colors, brushes, rice paper, seals, and traditional Chinese mounting technique. Transfer Credit: CSU; UC.

Course Level Student Learning Outcome(s)

1. Visually identify the major artists, works of art, and movements of East Asian Brush painting and be able to compare and contrast the works both in terms of composition and context.
2. Analyze the style, composition, and purpose of East Asian Brush Painting and its meaning in terms of historical, multi-cultural, and global significance.
3. Create an East Asian brush painting in the Chinese tradition from life sketches to completed composition; demonstrate the management of painting tools, papers, and media.

Course Objectives

- 1. Express the basic philosophical principles of East Asian Brush Painting and its relationship to the traditions of China's historical development.
- 2. Evaluate the desirable aesthetics required for a successful East Asian Brush Painting.
- 3. Identify the geographical differences within East Asian Brush Painting.

Lab Content

Color Mixing Basic stroke practice Study of elements, anatomy, composition diagrams Finished paintings

Method(s) of Instruction

- Lecture (02)
- Lab (04)

Instructional Techniques

Detailed diagrams and handouts. Demonstrations on mixing colors, basic strokes, compositions. Stroke-by-stroke instruction Critique Discussion

Reading Assignments

Acquire additional information on the subjects: anatomy of animal and flower, geography of scenery. Photos and reference materials of plants, flowers, creatures, and scenery.

Writing Assignments

In-depth research on subject matter as it relates to historical and/or contemporary figures associated with East Asian Brush Painting.

Out-of-class Assignments

Work additional composition ideas on the subjects. More practices of the learned subjects.

Demonstration of Critical Thinking

Students will be expected to analyze principles of composition based on Eastern philosophy. They will develop sound judgment on technical merits.

Required Writing, Problem Solving, Skills Demonstration

Students will be evaluated based on their ability to demonstrate skills in brush strokes and use of colors, working with various papers, and producing compositions with all the concepts shared in the class.

Eligible Disciplines

Art: Master's degree in fine arts, art, or art history OR bachelor's degree in any of the above AND master's degree in humanities OR the equivalent. Note: 'master's degree in fine arts' as used here refers to any master's degree in the subject matter of fine arts, which is defined to include visual studio arts such as drawing, painting, sculpture, printmaking, ceramics, textiles, and metal and jewelry art; and also, art education and art therapy. It does not refer to the 'Master of Fine Arts' (MFA) degree when that degree is based on specialization in performing arts or dance, film, video, photography, creative writing, or other non-plastic arts. Master's degree required.
