Course Description

This course is designed to provide non-native English speaking students additional opportunities to master various advanced grammatical structures. In this advanced course, students continue to expand their understanding of the English verb system and sentence structures, with a review of modals, gerunds, infinitives, and complex sentence structures. Students will practice identifying and producing these target structures in spontaneous oral and written communication. This is an open-entry course. Noncredit. NOT DEGREE APPLICABLE. Not Transferable.

Course Level Student Learning Outcome(s)

1. Students will construct sentences of varied structures including adjective clauses and phrases, adverbial clauses and phrases, and various sentence openers
2. Students will be able to vary sentence structures to improve the delivery and style of a written or spoken text.
3. Students will utilize advanced verbal forms with increased accuracy in controlled situations.

Course Objectives

- 1. construct sentences with various adverb clauses
- 2. reduce adverbial clauses into phrases when possible
- 3. recognize and use patterns of adjective clauses
- 4. reduce adjective clauses when possible
- 5. use a variety of sentence openers including participial adjectives, adverbs, and adverbial clauses or phrases
- 6. construct sentences with gerunds and/or infinitives
- 7. construct sentences with modals of certainty and obligation in the past and the present
- 8. use definite and indefinite articles with increased accuracy
