Course Description

A study of the family as a social institution. Examines the process of family development including dating, courtship, engagement, mate selection, marriage, parenthood, and divorce. Crises and challenges facing families today will be examined from a sociological perspective. Transfer Credit: CSU; UC. C-ID: SOCI 130. C-ID: SOCI 130.

Course Level Student Learning Outcome(s)

1. Given a scenario or case study about a particular adult's behavior, analyze that behavior from a specific sociological theory.
2. Given case studies, scenarios, or observations, be able to interpret group behavior and individual behavior within family structures, formulate conclusions, and predict likely behaviors or actions based on analysis of expectations.

Course Objectives

- 1. Demonstrate an understanding of major sociological theories as they apply to the social institution of the family
- 2. Identify the various kinship and family arrangements found throughout the world.
- 3. Evaluate the varied nature of families from cross-cultural, historical, and political perspectives
- 4. Identify how characteristics of race, ethnicity, class, immigration status, age, class, gender, and sexuality intersect and interact within the family institution.

Method(s) of Instruction

- Lecture (02)
- DE Online Lecture (02X)
- Video one-way (ITV, video) (63)

Instructional Techniques

A variety of instructional techniques will be employed to encompass different student learning styles. These may include, but are not limited to, lecture, discussion, and small group activities. Instruction will be supplemented, where appropriate, by PowerPoint presentations, electronic resources and technologies, guest speakers and field trips.

Reading Assignments

Students will complete reading assignments from the textbook as well as any supplemental reading based upon course readers, handouts, internet resources, and assignments from the Coastline Library.

Writing Assignments

Writing assignments may consist of discussion forums, journal entries, and critical thinking essays. In addition, students will complete a substantial term paper. At least 35% of the class grade will be comprised of writing assignments.

Out-of-class Assignments

Outside of the classroom students will do the required reading, study for quizzes and exams, and conduct research, where applicable, to prepare papers and essays.

Demonstration of Critical Thinking

Students will demonstrate critical thinking through written work such as essays and papers as well as active participation in class discussions.

Required Writing, Problem Solving, Skills Demonstration

Students will be required to complete one or more essays as a component of the midterm and/or final exams and at least one additional paper.

Eligible Disciplines

Sociology: Master's degree in sociology OR bachelor's degree in sociology AND master's degree in anthropology, any ethnic studies, social work, or psychology OR the equivalent. Master's degree required.
