Course Description

This course provides instruction and supervised participation in theatre rehearsal and performance of a stage musical. Students in their second semester will gain practical experience in musical theatre performance. Students will rehearse and perform at an intermediate level in an ensemble or supporting role. Enrollment eligibility is based on a successful audition; this requirement will be validated by the instructor during the first week of enrollment. ADVISORY: THEA A126 and successful audition. Transfer Credit: CSU.

Course Level Student Learning Outcome(s)

1. Perform with ensemble and leading actors in a supporting role in a musical, using intermediate-level voice and acting techniques, in collaboration with cast, crew and faculty.

Course Objectives

- 1. Evaluate and analyze a musical libretto for rehearsal and performance.
- 2. Create and dramatize the behavioral life of a supporting character in rehearsal and performance of a stage musical.
- 3. Apply intermediate level skills and methods to the vocal requirements in a stage musical performance.
- 4. Apply intermediate skills to the blocking and choreographic requirements in a stage musical performance.
- 5. Demonstrate use of appropriate physical and vocal warm-ups in preparation for performance in a musical.
- 6. Demonstrate a strong collaborative performance ethic with fellow performers.
- 7. Recognize and demonstrate their collaborative responsibilities with the director, musical director, and choreographer in rehearsal and performance

- 8. Recognize and demonstrate their collaborative responsibilities with the designers, stage managers and crew in rehearsal and performance.
