  - a. For non-GWC students, complete a college application to obtain your student ID# and email address.
  - b. All correspondences related to the application is via your student email address.
7. Submit official transcripts to the GWC Admissions and Records prior to the last day of current application period. Failure to complete official transcripts will void your application.

## Program Requirements

Students admitted to the Nursing Program must complete clinical training hours at our affiliated healthcare agencies. All clinical health and other requirements must be completed prior to the program start date:

1. Clear background check (criminal and/or civil) for the last 7 years.
  - a. Review the BRN website (<http://www.rn.ca.gov>) for background concerns prohibiting a graduated nurse from being eligible to take

the State RN licensure examination. Link to BRN FAQs regarding prior convictions and disciplinary actions and webinar (<https://www.rn.ca.gov/applicants/lic-faqs.shtml>).

2. Clear urine drug screening.
3. Titer and Immunizations per Healthcare Agency requirements and the Center for Disease Control (CDC) guidelines.
4. Social Security Number or Tax Identification Number (ITIN).
  - a. Required for program admission and to be eligible for the CA Board of Registered Nursing State Licensing Examination.

**For course equivalency and transcript evaluations, contact GWC Counseling.**

## Program Level Learning Outcomes

Upon completion of this program, students will be able to:

1. **Patient-centered care/safety/Quality Improvement**  
Provide safe, quality, patient-centered care for individuals and families across the health-illness continuum in a variety of settings to promote positive patient outcomes.
2. **Evidence-based practice/nursing judgment**  
Use information from evidence-based sources to make nursing clinical judgments and provide patient care within a family and community context.
3. **Teamwork/Collaboration and Informatics/Technology**  
Utilize information technology in collaboration with nursing and healthcare teams to facilitate communication and coordinate patient care.
4. **Professional Identity**  
Demonstrate professional behavior and adhere to legal, ethical, and professional standards.
