

THE ORANGE COAST COLLEGE FOUNDATION

The Orange Coast College (OCC) Foundation is a 501(c)(3) organization that is committed to transforming student lives by securing and stewarding financial resources that support Orange Coast College scholarships, academic programs, and student success initiatives. The foundation actively engages community members, alumni, and corporate partners to expand educational opportunities through philanthropic giving.

Through careful investment and responsible management, the OCC Foundation ensures that donor contributions are utilized effectively and in alignment with donor designations, maximizing the impact of every gift. Scholarships funded by the foundation provide critical financial assistance, empowering students to focus on their education, reduce financial burdens, and achieve their academic and career aspirations.

Fostering a culture of giving and community involvement, the OCC Foundation, guided by a volunteer Board of Directors, strengthens Orange Coast College's mission to provide accessible, high-quality education that prepares students for success in the workforce and beyond.
