ACCT A220 3 Units (54 lecture hours)**Data Analytics for Accounting**

Advisory: ACCT A101 or ACCT A101H.

Grading Mode: Standard Letter, Pass/No Pass

Transfer Credit: CSU.

The advent of data analytics offers both challenges and opportunities for CPAs. The challenges include undertaking appropriate training to develop the skills needed to initiate and support data analytics activities, as well as altering the present audit model to include appropriate audit analytics techniques. The opportunities include a technology rich audit model that provides for greater thoroughness, efficiency, and accuracy, as well as new business opportunities to provide data analytics expertise to CPAs' clients and organizations. CPAs, whether working in public practice or industry, will enhance their career opportunities through the acquisition of additional data analytics expertise. Graded or Pass/No Pass option.
