

# ECONOMICS (ECON)

## ECON A100 3 Units (54 lecture hours)

### Economics: General Concepts

**Grading Mode:** Standard Letter, Pass/No Pass

**Transfer Credit:** CSU; UC: Credit Limitation: No credit for ECON A100 if taken after ECON A170, ECON A170H, ECON A175 or ECON A175H.

Provides the student with a general understanding of the concepts, principles, and methods of microeconomics and macroeconomics at the introductory level. May be taken for grades or on a pass-no pass basis.

## ECON A110 3 Units (54 lecture hours)

### Economics of Consumer Finance

**Grading Mode:** Standard Letter, Pass/No Pass

**Transfer Credit:** CSU.

An applied approach to the problems and possibilities confronting the consumer in today's economy. Emphasis is placed on the development of skills in personal financial planning: decision making, use of credit and principles of saving and investment. Attention is given to the problems in housing, transportation, health services, and insurance. Issues of personal taxation, government regulation, and environmental protection are considered in relation to consumer interest. Graded or Pass/No Pass option.

## ECON A170 3 Units (54 lecture hours)
