

ASSOCIATE DEGREE FOR TRANSFER (AA-T, AS-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer,” an established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. **Students completing these degrees are guaranteed admission to the CSU system, but not to a particular campus or major.**

In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that accepts the AA-T or AS-T degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is designated a “high-unit major”). This degree may not be the best option for students intending to transfer to a particular CSU campus, or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum GPA of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors require a higher GPA. Consult with a counselor for more information.
3. Completion of a minimum of 18-semester units in the major as detailed in the Degree and Certificate section of this catalog. All courses in the major must be completed with a grade of “C” (or “P”) or better.
4. Certified completion of the California General Education Transfer Curriculum (Cal-GETC), California State University General Education Breadth pattern (CSU General Education Breadth — Option 2, for students following catalog years 2024/2025 and prior) OR the Intersegmental General Education Transfer Curriculum (IGETC — Option 3, for students following catalog years 2024/2025 and prior).
5. A minimum of 12 units in residence within the Coast Colleges (Orange Coast College, Golden West College and/or Coastline College).
