

MACHINIST, CERTIFICATE OF ACHIEVEMENT

Banner Code: 1_CN_MTMC
Financial Aid Eligible

The Machinist certificate program trains students for positions as entry-level operators, which often are the first manufacturing jobs for industrial employees. This certificate program provides the skill and knowledge necessary for job candidates to become successful wage earners. This program also comprises the core courses for the more advanced certificates.

Program Outcome

Machine precision manufactured parts using conventional lathes and milling machines and perform necessary measurements.
