

INTERMEDIATE LANDSCAPE DESIGN AND CONSTRUCTION SPECIALIST, CERTIFICATE OF ACHIEVEMENT

Banner Code: 1_CM_ILSC
Not Financial Aid Eligible

The Intermediate Landscape Design and Construction certificate program trains students to work in the field of landscape design/build. The curriculum provides studies in design, construction, history, basic horticulture, topics that help a student obtain employment in the field, and provide foundational training towards becoming licensed landscape contractors and related specialties.

Program Outcome

Solve landscape challenges through the design/build process that provides basic human comfort and livability, and meet client functional and financial needs.

Review Graduation Requirements (<https://catalog.cccd.edu/orange-coast/graduation-requirements/certificates/#achievementtext>).

Course	Title	Units
Required Courses

Program Sequence

These sequences at Orange Coast College are curriculum maps for students to finish all requirements for the certificate. There may be advisories, prerequisites, or time requirements that students need to consider before following these maps. **Students are advised to meet with an Orange Coast College Counselor for alternate sequencing.**

Some courses in this program may be offered once per academic year.
