## DANCE, ASSOCIATE IN ARTS DEGREE

**Banner Code:** 1\_AA\_DANC **Financial Aid Eligible** 

The degree provides students with a foundation in the theory, technique, and the aesthetics of the art of dance. This is fulfilled through a comprehensive program of dance study in areas of core techniques, contemporary and commercial styles, choreography, performance, and world dance forms. Students will demonstrate proficiency through accurate technical execution, performance skills, research papers, essays, and choreographic works.. Program assessment is measured by public performances, program completion, transferability, and periodic program review. Students qualify to pursue a variety of dance-related careers and advanced degree options.

## **Program Outcomes**

- Develop an understanding and appreciation of the art of dance and its relevance to the multicultural world we live in.
- Acquire the dance technical skills necessary to transfer to a university program or similar advanced dance study program.
- 3. Implement critical thinking skills and kinesthetic awareness in their observation, analysis, and interpretation of dance performances on stage or in media.
- Develop dance composition and performance skills necessary to successfully transfer to a university program or similar advanced dance study program.
