

STUDENT SERVICES

Orange Coast College is committed to supporting students in their academic journey to achieve equitable successful outcomes. We recognize that there are many activities and programs outside of the classroom that enhance the learning process and offer numerous services and programs to help students move toward the attainment of their goals.

Students at Orange Coast College come from a diversity of backgrounds, ages, and lifestyles. The variety and comprehensive nature of student services programs are intended to support the needs of students and their overall academic success. Please explore the services available at Orange Coast College. Students are encouraged to reach out to student services representatives for resources and tools needed to successfully continue their education at OCC.
